### **Guest Concerns**

**Kirby Pierce described the events that occurred on Monday, September 28<sup>th</sup> regarding four teams in the Bristol Scotch Division. There was confusion as to where 3 of the teams were playing, mostly because the teams did not update their schedules after a few changes were made after the captains' meeting. Kirby asked that some consideration been given to how this problem could have been alleviated and perhaps not repeated.**

### **Old Business**

**There has been some issues with the two Cattleman's teams. On the Branson Division, Cattleman's Richard will now be Cattleman's William. William McKinzie will now be the captain for that team. On the Austin Division, Cattleman's Raymond will now be playing out of the establishment called "Liquid" and has made a lot of changes in his roster. Keith told Raymond that all of the changes would be accepted, but that no more changes would be allowed.**

**Larry Skidmore asked if the board would look over Sherrill and Matt's stats to see if they could begin playing at the same time and not both be classified as A players. Larry was told by Keith and it was also told to everyone at the captains' meeting that Cheryl and Matt were both considered A players and that they would not be allowed to play on the same night. Asking again has not changed the decision the board made on this matter before the season started. Larry also said that if it snows, he has to run the snow plow, and if that were to happen, could Cheryl and Matt play on the same night. The board agreed that more than likely, if Larry was having to plow snow, then most people would choose to reschedule their games because of weather, and that this team could do the same.**

**There have been several complaints about Fargo's Darrell on the Boston Mixed Division. This team was put in the wrong division because no one at the time knew who the players listed on the roster where. There is nothing that can be done about this now. They will be moved to another division next season.**

**The Sponsor Signs used for post season and the raffle bin will be stored at Keith's home.**
